## NOVEMBER 12th in Phoenix, AZ

Louis and Company and SCM Group cordially invite you to attend our 2nd annual machinery open house at the Machinery and Technology Center, in Phoenix, Arizona, Nov. 12th. All attendees will see machinery demos, as well as the opportunity to gain knowledge applicable to your business through informative training sessions. If the focus of your company in 2010 is to reduce waste, increase production and precision while maintaining an edge, on your competition this open house is for you. We will provide you with more knowledge than you would ever receive at any tradeshow. One-on-one interaction with our expert staff, software vendors and technicians, allows for an intimate understanding of your business.
